To our graduating seniors, Caroline Boger, Alex Chang, Jill Goodman, Diana Orrico, and Lexi Sedberry. You are my heart. I love each and every one of you so much. And I am so incredibly proud of the people you have grown up to be. I can't wait to see all that you accomplish in this world. You have the biggest hearts and so much talent. I couldn't be more proud to call you family. So tonight as you leave it all up there on the stage, know that you are the stars, the tears, and the heart of this studio. Bravo!
